

Ceylinco Takaful receives ISO 9001-2000 certification

Ceylinco Takaful Insurance has been awarded the ISO 9001-2000 certificate making it the first Takaful Insurance Company operating in the general insurance field in the country to get this quality standard covering all functional areas.

Ceylinco Takaful Insurance, an associate firm of Ceylinco Consolidated, bagged the certification on

account of superior management systems in key areas of Customer focus, Leadership, Involvement of people, Process approach, System approach to management, Continual improvement, factual approach to decision making, Mutually beneficial supplier relationships and consistent principles.

"This certification is a significant milestone in our continuous quest to offer

innovative products, outstanding services and improved customer satisfaction" said General Manager, Ceylinco Takaful Chandrasiri Kalupahana.

"Our core values include; accepting risk with responsibility, being ethical and socially responsible, innovation, dedication to customers and encouraging everybody to contribute and excel," he said.

The Nugegoda flyover will be opened on January 22 to overcome traffic congestion in the area. The Road Development Authority coordinated the construction and it was built by Access Engineering. The flyover, the second after Kelaniya, consists of two lanes. Construction work commenced on October 10 with an investment of Rs. 840 million.
