TECHNO 2009 EXHIBITION FROM OCTOBER 9 TO 11

By SUPUN DIAS

The TECHNO 2009 exhibition organised by the Institution of Engineers in Sri Lanka (IESL) will be held at the BMICH, from October 9th to 11th.

The prestigious TECHNO 2009 exhibition is the flagship event in the IESL calendar. The exhibition is widely accepted within the engineering fraternity and it is a leading exhibition in the sphere of Engineering and Technology in this part of the globe. The organising committee headed by IESL President Dharmasiri De Silva, seeks to unleash and elicit multi-faceted disciplines, talents

and skills in the sphere of engineering. To take the country in to scientific and technological excellence, uplift the quality of life of the people and

steer the country towards prosperity is the main purpose of the IESL.

TECHNO 2009 will enable all the stakeholders to share their know-how

EXHIBITION

and the experience. The organisers are planning to make it a more memorable event this year.

The exhibition will establish stronger and sustainable links between the suppliers of engineering products and services and the relevant government institutions. It will boost to facilitate mutual awareness of their resources in fulfilling their needs and goals.

The principal sponsor for the 24th annual TECHNO exhibition is Sri Lanka Telecom-Mobitel. The official print media sponsor is Wijeya Newspapers Ltd.
