

'ENTER THE FRAY FOR THE ENGINEERING EXCELLENCE AWARDS- 2013':

Award for Excellence in Engineering Journalism

Rewarding Outstanding Contribution made by Media Personnel

'Media personnel will vie alongside Engineers for this year's Engineering Excellence Awards-2013 conducted by the Institution of Engineers, Sri Lanka (IESL) to be announced soon

Journalists and producers from national newspapers, radio and television stations are to be honoured for outstanding articles / programs that enhance awareness on role and impact of engineers in the improvement of standard of living of the people.

Printed and electronic news media, are the most effective medium for creation of such awareness and molding of public opinion on engineering issues whether it is supply of utilities for their day to day sustenance or larger infrastructures needs in the transport and telecommunication sector, etc.

President of the Institution of Engineers, Sri Lanka, Eng. Tilak De Silva

Through this award the Institution of Engineers, Sri Lanka (IESL), the premier body for the engineering profession in the country, hopes to encourage continued balanced coverage of engineering issues which enhances awareness on the subject and overall awareness on the role engineers play for the upkeep and improvement of living standards of the society.

Articles / programmes that appeared between 1st January 2012 and 31st December, 2012 are eligible for the award. Details of application procedure will be announced soon in national newspapers.

This is besides the many other award categories; Eminence in Engineering, Excellence in Engineering for Individuals, Excellence in Engineering for

Organizations, Engineering Entrepreneur, Young Chartered Engineer, Chartered Engineer, Social Responsibilities & Environment, Engineering Heritage and

Outstanding Engineering Education for which outstanding achievements and accomplishments by engineers and engineering related entities will once again be in the limelight vying for the most coveted awards in Engineering and Engineering Entrepreneurship in the Country.

The Engineering Excellence Awards are presented by the IESL, the premier professional body for engineers in Sri Lanka, to encourage and celebrate excellence in the science and the practice of engineering by rewarding the best and the finest of its members, individuals, organizations and companies in Sri Lanka for their outstanding accomplishments and achievements related to engineering.
